Buggy Barn Quilt Instructor: Connie Berner

Supply List:

- Pattern by Buggy Barn or One Sister Make sure the pattern uses their Crazy stacking method. The pattern should show this. One Sister's pattern, "The Mountains are Calling", does not use the crazy method.
- Freezer Paper, with any pattern pieces traced onto it. Trace on the paper side, not the slick side. The pattern should list how many copies to make. I suggest you bring extra freezer paper to class.
- Rotary Cutter (I suggest a new blade. You will be cutting through up to 11 layers of fabric at a time).
- Cutting mat. A 12" x 12" rotating mat works well, but you can bring what you have.
- Acrylic rulers: I suggest a 4 ½" x 12 ½ ". If you have an 18" ruler, bring that, too.
- Plastic sewing clips. This is important! This will hold the pieces together when you leave class. I'd suggest bringing about 75 clips.
- A container of some kind to keep your cut fabric in for travel. Maybe a 12" x 12" scrapbook case. A gallon zip lock bag will even work.
- Sewing Machine, thread, seam ripper, pencil, pins, pincushion, and any other sewing supplies you like to use. NOTE: There is a lot of ironing and a lot of short seams in this project. If you have a small travel iron and ironing pad, it will simplify things for you. Ben Franklin also has irons and ironing boards available to use.
- Please read through the pattern to see if there are any other supplies listed. If so, bring them.
