Christmas Baubles Quilt Instructor: Connie Berner

Supply List:

- Seasonal Craziess book by One Sister (you will need to purchase your own copy)
 - 12 Fat Quarters for Ornament A (these should contrast from your background fabric, either in color, texture or pattern)
 - 16 Fat Quarters for diamond ornament B (these should contrast from your background fabric, either in color, texture or pattern)
 - 4 $\frac{3}{4}$ yard cream (or light) background
 - $\frac{1}{4}$ yard gray texture for ornament tops & hangers
 - $\frac{1}{3}$ yard gray stripe for ornament tops & hangers
 - $\frac{1}{2}$ yard green plaid texture for inner border (you don't need to bring this to class)
 - 1 $\frac{1}{3}$ yards red print for outer border (you don't need to bring this to class)
 - $\frac{3}{4}$ yard binding (you don't need to bring this to class)
 - 5 yards backing (you don't need to bring this to class)
 - FREEZER PAPER, with paper piecing patterns traced onto it. Trace onto the paper side, not the slick side. Trace three of the star ornament A pattern, found in the pullout section. Trace three of the diamond ornament B pattern, found in the pullout section.
 - Rotary Cutter (I suggest a new blade. You will be cutting through many layers at a time.)
 - Cutting mat. A 12" x 12" rotating mat works well, but you can bring what you have.
 - Acrylic rulers: I suggest a 4 $\frac{1}{2}$ " x 12 $\frac{1}{2}$ ". If you have an 18" or 24" ruler, bring that, too.
 - At least 50 plastic sewing clips. This is important!
 - A container of some kind to keep your cut fabric in for travel. Maybe a 12" x 12" scrapbook case. A gallon zip lock bag will even work.
 - Sewing Machine, thread, seam ripper, pencil, pins, pincushion, and any other sewing supplies you like to use.
- NOTE: There is a lot of ironing and a lot of short seams in this project. If you have a small travel iron and pressing pad, it will simplify things for you. Ben Franklin also has irons and ironing boards available for you to use.

Cutting Directions – Please do this before coming to class. These cutting directions can also be found on page 31 in the pattern book.

NOTE: Pre-washing fabric is a personal choice. If you pre-wash, your finished quilt will be more flat. If you do not pre-wash, your quilt will have a more puffy, antique look to it. Generally speaking, I do not pre-wash any fabric for quilts. The opposite is true for garment construction. I pre-wash those fabrics unless they're a synthetic that doesn't shrink or a fabric that shouldn't be washed in water.
