

# 2023 Ben Franklin Saturday Sampler

## Traverse Tutorial July

### O's

These were so fun to make!

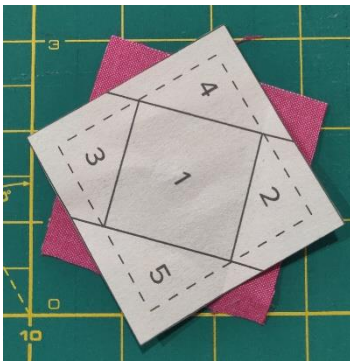

#### Step 1

Make 2 copies of the O's foundation, You can use regular copy paper just make sure it is copied at 100%.

Cut the square on the dark outside line of your template. This is not really paper piecing, just paper guiding 😊

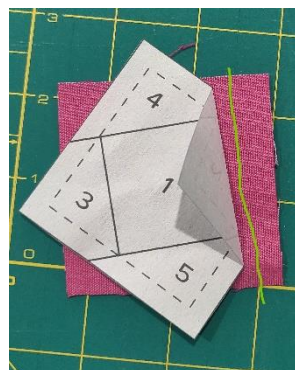

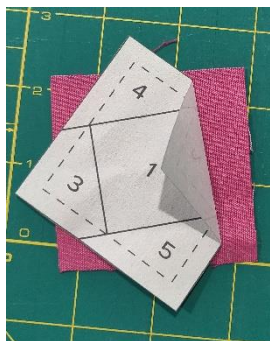

I used a fabric glue pen for this but you can use a pin if you would like.

Glue your pink square to the plain side of your paper making sure that there is at least ¼" all the way around.

#### Step 2

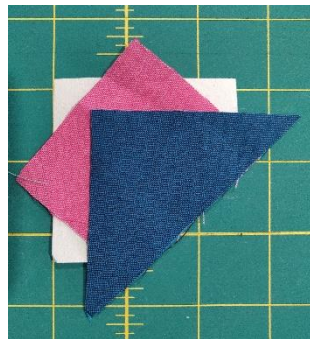

Fold the paper back on line 2 and trim the pink fabric ¼" away from the folded line.

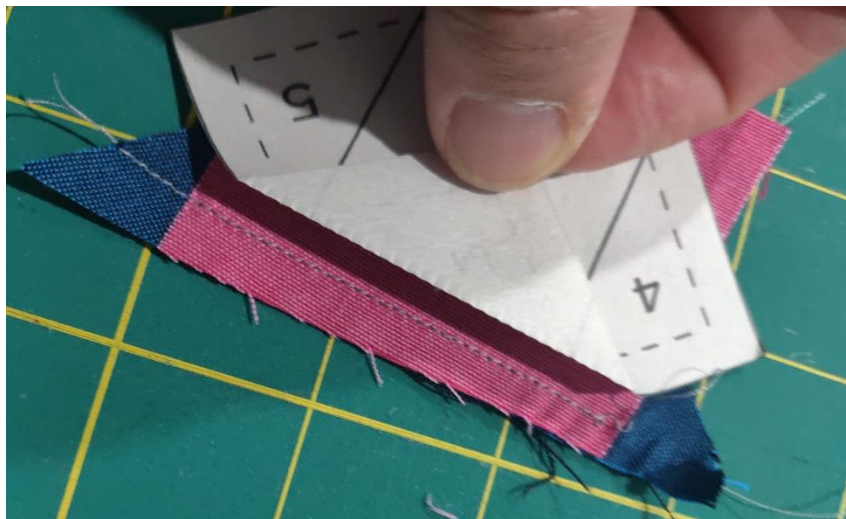

(that green line is where I should cut 😊)

### Step 3

Lay a blue triangle on the cut edge roughly centering it on the square.

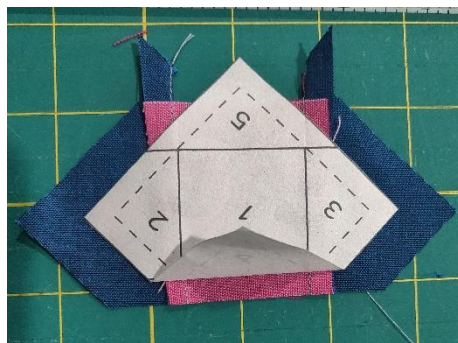

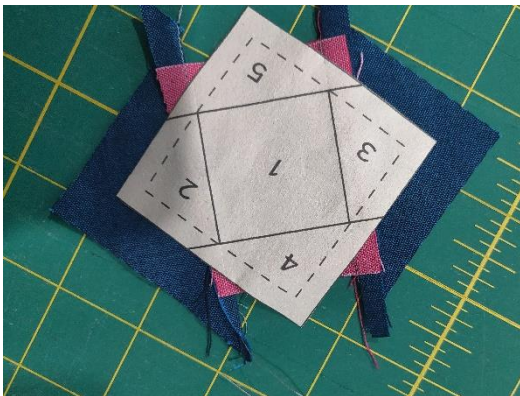

Fold back the paper corner, flip it over so the paper side is up and stitch right next to the fold.

### Step 4

Repeat for the other sides.

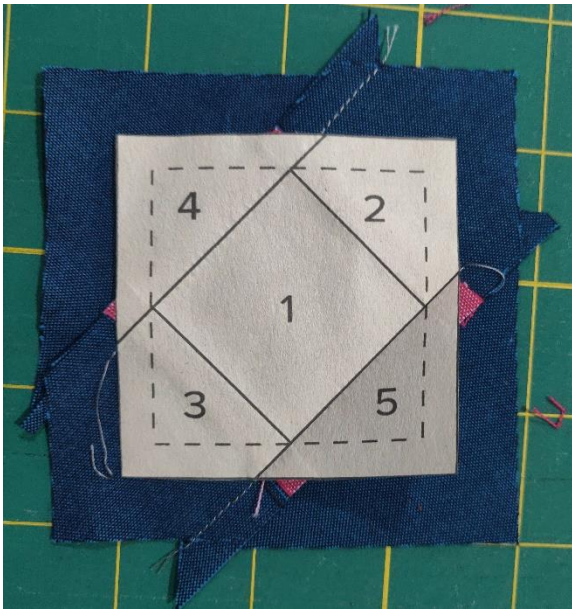

All 4 sides are on. It doesn't matter if it looks wonky, it gets trimmed

### Step 5

Flip it back over and trim along the outside edge of the paper.

### Step 6

Repeat for the other color combination. You should have 6 R/F combination and 5 R/G combination. You can re-use the paper each time.
