## Spikey Borders

Yay more foundation paper piecing! I love these borders. I am not going to go over the paper piecing process in this tutorial, we have done it before 😊.

I made copies (11 x 17) of the foundation papers in your template pack. Your foundation papers have a (1) and (2) at the top of the page. You will use one of each for each side.

These are the fabrics I chose. I am using the same fabrics on all sides.

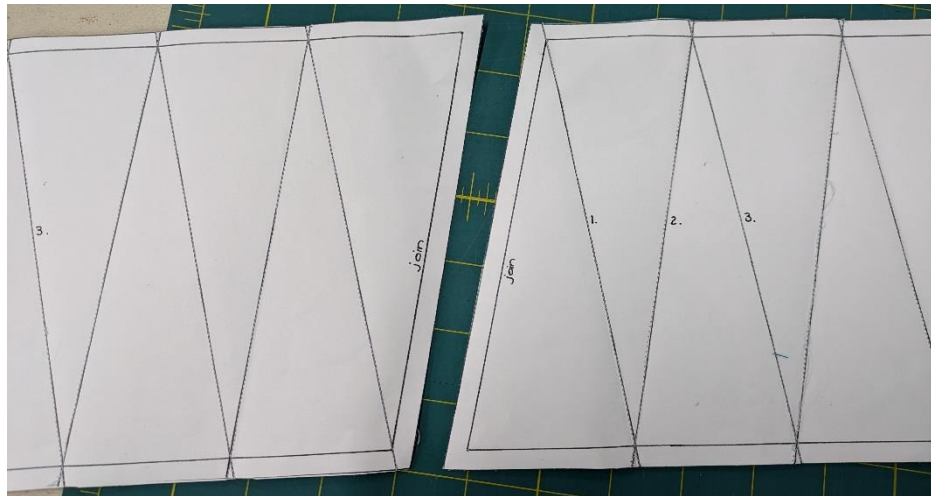

1 side done

Second side done

The back side. Sew them together on the lines that say join. I used pins at each point to connect them and sewed on the line.

Done!
